Our trip takes us to the historic medieval city of Wells in Somerset. It is the smallest city in England.

It has a bustling centre with a variety of shops and cafes and a very good market.

The magnificent west front of the Cathedral is the best in Europe. If you fancy a walk, the moated Bishop's Palace with a wonderful garden and the famous swans, is attached to the Cathedral.

If you would like to join us please fill in the form below and return with a stamped addressed envelope.
